ABOUT ME

Stephanie K. was born and raised in Chicago, Illinois but has called Minnesota her home since 2015. She is a married mother of 5 and has been a born-again Christian for almost 20 years. Over the years, she has volunteered in various roles in the churches she's attended. However, her gifting and passion are helping others understand life and their struggles, especially with relationships, from a more profound and spiritual perspective and highlighting the path towards healing, spiritual growth, happiness, and wholeness. Stephanie does this through her business Unveiling the Spirit. Under the umbrella of Unveiling the Spirit, Stephanie provides life and relationship coaching, webinars, books, blog/vlog posts, speaking engagements as well as a regular running podcast entitled, "Outside the Box".
